## Footnotes

(1) Scheme responsible for the protection of your deposit: Your deposit is covered by the Dutch statutory Deposit Guarantee Scheme. If insolvency of your credit institution should occur, your deposits would be repaid up to EUR 100.000.

(2) General limit of protection:  
If a deposit is unavailable because a credit institution is unable to meet its financial obligations, depositors are repaid by the Dutch Deposit Guarantee Scheme. This repayment covers at maximum EUR 100.000 per credit institution. This means that all deposits at the same credit institution are added up in order to determine the coverage level. If, for instance a depositor holds a savings account with EUR 90.000 and a current account with EUR 20.000, he or she will only be repaid EUR 100.000.

This method will also be applied if a credit institution operates under different trademarks. The BNG Bank N.V. also trades under BNG Bank. This means that all deposits with one or more of these trademarks are in total covered up to EUR 100.000.

(3) Limit of protection for joint accounts:  
In case of joint accounts, the limit of EUR 100.000 applies to each depositor. In the exceptional case of bankruptcy of your credit institution on the moment you have a deposit directly resulting from real estate transactions relating to private residential properties your deposits will be protected for a period of three months after the deposit for an additional amount which will not exceed EUR 500.000.
